Forecast for Sunday 01 Nov 2020

Weather: Early rain will clear northeastwards to scattered blustery showers and sunny intervals. These showers may be heavy at times especially in the north with snow on the Munro tops.

Chance of cloud free mountain/hill tops above 800m: Low through the early part of the morning in association with rain but good throughout the rest of the day outside of any heavy showers.

Visibility: Moderate or poor at first, generally good later away from showers when there will be quick deterioration..
